

Bodrum- Hisarönü - Bodrum

DAY 01

BODRUM

Bodrum is one of Turkey's most stylish and lively coastal destinations, blending ancient history with beautiful beaches and a vibrant social scene.

Visit the impressive Castle of St. Peter, home to the Museum of Underwater Archaeology, and explore the remains of the Mausoleum at Halicarnassus, one of the Seven Wonders of the Ancient World.

Nearby areas like Bitez, Gümbet, Yalıkavak, and Türkbükü offer everything from laid-back beaches to upscale beach clubs. From relaxed seaside bars to energetic clubs, Bodrum comes alive after sunset. We will overnight on board.

DAY 02

PALAMUTBÜKÜ

Palamutbükü is a small, peaceful coastal village known for its calm turquoise waters, long sandy beach, pine forest backdrop, and tranquil village atmosphere.

The calm waters of the bay make it ideal for exploring by kayak or SUP. The calm water and rocky areas on the edges of the bay offer good snorkeling spots. The area's natural beauty is perfect for taking photos or observing local birds and wildlife.

DAY 03

BENCIK COVE

We make our way to Aktur Bay. The clear water makes it great for snorkelling and spotting marine life close to shore.

After lunch we make our way to Bencik Bay, located near the Hisarönü Gulf at the narrowest point of the Datça Peninsula. Two spheres of water is held at bay by a slim slice of land. The Persian army back in 550BC (Xerxes and the 300) built a tunnel so he could connect directly to the Gulf of Gokova to speed up his fleets attacking capabilities.

The surroundings are quiet, forested, and ideal for nature lovers. It's a good place for sunset views, campfires, stargazing, yoga, or simply relaxing in the fresh sea air.

DAY 04

SELIMIYE

In the Gulf of Hisarönü, lies the village of Selimiye. One of the most prominent and distinctive natural phenomena occurs during the sunset, when the village's colour changes into a deep red.

Near Selimiye you can find ruins from the ancient city of Hydas, including remnants of three hilltop castles, old city walls, a lighthouse, and a theatre — reflecting the area's long history. Local paths and coastal walks offer beautiful nature views and quiet moments in the countryside.

DAY 05

BOZBURUN

Bozburun is a lovely small town 45kms west of Marmaris. It is home to a small but modern marina and the town is famous for its shipbuilding industry.

This is where some of the world's finest wooden boats and Gulets are fabricated. Go for a walk and see how the Gulets are built at any of the many yards dotted around. Bozburun is great for a relaxing evening. This means you will not find night life here.

What you will find are amazing hotels, cafes, bars and restaurants all serving local cuisine.

DAY 06

DATÇA - KNIDOS

Datça is located in an area that provides you with many small coves along the peninsula, so you can anchor along the coastline and enjoy a swim in the privacy of your own cove.

Explore Old Town (Eski Datça) a picturesque area with stone houses, narrow cobblestone streets, and bougainvillea-lined alleys. Boutique cafés, small galleries, and souvenir shops make it perfect for strolling and soaking up the local atmosphere.

We then set sail for Knidos. Knidos was a major Greek and later Roman city, dating back to the 4th century BC. Knidos is a must-visit for history lovers, photographers, and nature enthusiasts.

Visit the famous Temple of Aphrodite. Other ruins found at Knidos include temples to Apollo, Dionysus, ancient theatres, the agora and the remains of Byzantine-era churches. The site also includes a large ancient necropolis spread out over a wide area, much of which has yet to be fully excavated.

DAY 07

POYRAZ LIMANI BAY

Poyraz Limanı is a coastal inlet, essentially a quiet bay rather than a commercial port. The activities are centered on enjoying the outdoors and the coast.

This is a quiet spot with open sea views, ideal for landscape photos and soaking in the natural coastal setting. The water here is described as clear and calm, with shallow depths and few rocks, making it pleasant for swimming.

In the evening we will make our way back to Bodrum.

DAY 08

After enjoying your final breakfast on board, it's time to bid farewell to your crew. We hope you've had an unforgettable experience and look forward to welcoming you aboard one of our Gulets again in the future. Safe travels!
